**Financial Peace University** will again be offered beginning on Monday, January 21, 2008. In just thirteen (13) short weeks, you can transform your understanding of finances and have a much better handle on things like debt elimination, saving, investing, insurance and giving to the work of the church. The Bible has a lot to say about possessions and money. Join the class and develop a biblical view of finances.

## GETTING TO KNOW FAITH (GTKF)

**GTKF** is a 9 hour session (broken down into 3 segments) to introduce the ministries, mission and core values of Faith Reformed Church to new attenders and those desiring to consider membership at FRC. The class is a prerequisite for membership, however the information presented provides a basic understanding of the inner workings of this church and its ministries. Sessions are conducted by various staff members providing an opportunity to meet several of your ministry leaders up close and personal and ask questions you may have about how or why we do things the way we do.

**Next sessions** will be held: January 18 & 19  
and January 22, 29 and February 5 of 2008

For information about registering, contact the church office or Past Scott Bills at 947-7082, ext 34.
